

# The Rules

The 40th Annual Last Call Invitational · Armand Comeau Cup · Derrick Golf &amp; Winter Club

## Four-Man Scramble

TWO TEAMS PER GROUP · DECK 2

### FORMAT

## How we play

- **Four-man Texas scramble.** Every man hits, the team picks the best ball, everyone plays from there.
- **Eight-somes.** Two teams share each group — your playing partners are also your scorers.
- **No minimum drives per player.** Ride the hot hand.
- **Everyone tees off from Deck 2.**

### ON THE COURSE

## Ball & green

- **Move the ball up to one yard,** no closer to the hole. Same cut of grass, same lie.
- **Hazards are hazards.** A ball in a hazard cannot be moved out of it.
- **Maximum two putts** on the putting green. The second putt is good — pick it up.

### SCORING · READ THIS TWICE

## Two scores. Both count. Both kept by the other team.

The **Official Last Call Scorecard** *combined with* the **Live Pards Tour score** are the only scores that will be accepted. Scoring must be completed by the **other team in your group** — exchange cards on the first tee, and keep the live scoring current hole by hole.

Failing to accurately and diligently complete **both** the physical scorecard and the live scoring will be subject to a **two-shot penalty**.

**EXCHANGE CARDS. KEEP THE LIVE SCORE CURRENT. MISS EITHER ONE — TWO SHOTS.**

### NO-SHOW OR INJURY

## Playing short

If a partner doesn't show, or is hurt and can't finish (confirmed by the other team in your group), two teammates alternate holes and hit **all** shots on their hole:

|                    |                           |
|--------------------|---------------------------|
| <b>Captain out</b> | 2nd and 3rd alternate     |
| <b>Second out</b>  | Captain and 3rd alternate |
| <b>Third out</b>   | 2nd and Anchor alternate  |
| <b>Anchor out</b>  | 2nd and 3rd alternate     |

### TIES

## Count-back rule

- Tied teams are separated by counting back from the **Derrick's 18th hole** — not the 18th hole your team played in the shotgun.
- **The higher score wins the tie.** The team that scored **worse** on the Derrick's 18th finishes higher. Still tied? The 17th, then the 16th, and so on — highest score on the first hole that differs takes it.
